When RPTs are involved, what processes are in place to address them in the manner that will safeguard the interest of

the company and in particular of its minority shareholders and other stakeholders?

Related party relationship exists when one party has the ability to control, directly, or indirectly through one or more intermediaries, the other party or exercise significant influence over the other party in making financial and operating decisions. Such relationship also exists between and/or among entities which are und er common control with the reporting enterprise, or between and/or among the reporting enterprise and its key management personnel, directors, or its stockholders. In considering each possible related party relationship, attention is directed to the substance of the relationship, and not merely the legal form.

Transactions between related parties are based on terms similar to those offered to non-related parties. Under the Company policy, shareholders are prohibited to obtain loans and advances from/to the Company.
